ABOUT TOWN.

Troop F, 10th. Cav., arrived at Hidalgo at noon today.

See Mrs. H. Bollack's new Ad. in today's HERALD.

The steamer will sail from Morgan City Wednesday, Jan. 24th.

We still have on hand a limited number of copies of the delinquent tax list.

It has been threatening to rain today, though only a few drops have fallen.

A new store has been opened by Victoriano Fernandez, Jr., on Adams street.

Rev. Father Michel, O. M. I. has gone to Eagle Pass to take the place of superior of the Catholic church there, which the late Father Maurel was to have taken.

Best Elgin butter, fancy candies, cakes and crackers, etc., etc., can be found at Dennett's, the Fourteenth street Grocer. All the above are guaranteed to be first quality and fresh.

We are pleased to learn that Adolphus Glaevecke, who was so seriously ill some time since, continues to improve. Mr. Glaevecke is now staying at Anaquitas ranch with his son.

Mrs. H. Bollack has just received a lot of beautiful rugs, chenille table covers, and portieres and tapestry curtains and table covers. Housekeepers should call at once and see them.

THE HERALD office is turning out some fine job work lately. And, by the way, now is the time to get your printing done, as paper is going higher all the time, and prices must advance on job work shortly.

Preparations are being made to give a ball at the opera house next Friday evening, complimentary to Capt. W. M. Day, the genial and popular commander of Troop L, 9th. Cav., on account of his prospective departure from this post.

The baseball game which took place yesterday afternoon between the Tamayo town nine and the Fort Brown team resulted in a victory for the town boys. The only home run made in the game was by Capt. Tamayo. The score was 17 to 13.

Dr. R. P. Anderson and wife returned home Saturday from South Corralina, where Mrs. Anderson has been since last summer, visiting relatives. Dr. Anderson went several weeks ago to join his wife and accompany her home.

Dr. Wm. Putegnat and family have rented the residence formerly occupied by Mrs. Michel, which belongs to the latter's daughter, Mrs. Barton, and will move this week. O. I. Hicks and family will take the house now occupied by Dr. Putegnat on Levee street.

O. L. Bell, the ranger, was taken suddenly very ill early this afternoon at the ranger camp just beyond the suburbs. It seems that Mr. Bell was hunting ducks and went into the rescaca to get some that had fallen in the water, and when he came out he was taken with a violent chill. Dr. Wm. Putegnat was hastily summoned, and hurried out to the camp at once.

A Sad Bereavement.

Seldom or never has this city received more sorrowful news than that conveyed here last Tuesday stating:

"Father Maurel died suddenly here this morning."

How few of us thought when bidding Dear Father adieu, the night previous to his departure, that it was the last time we were to see his smiling face, or to hear his cheerful voice.

But it was to be so, that Dear Father who had assisted many on their last journey, had gone to receive from his Creator, the reward merited by a life of toil and privation.

Reverend Father Maurel was one of the best known Oblate missionaries in Texas, having labored here upward of thirty years, for the spiritual and temporal welfare, of the various parishes he had been connected with.

He possessed in a remarkable degree that talent for winning souls for his Divine Master, and by moral suasion and untiring energy, contributed to save many who otherwise would have been wrecked on the shoals of irreligion.

The poet says of the missionary: "With heart devoutly filled with love divine, His one unceasing cry is, 'God and souls.'"

Not for home and kindred does he sigh— A nobler impulse nature's ties control."

And here we see portrayed the life, character, and motives of our Dear Father Lorenzo. Amongst his other qualities must be enumerated, his indefatigable zeal in the discharge of his duties, whether preaching, visiting the sick, attending funeral services, or performing baptisms, all which he did with the greatest alacrity, never once deterred by inclement weather or lateness of night, though suffering from a disease that ultimately carried him off.

With these few words in grateful remembrance of one who spent his life in his Master's vineyard, we say:

"May he rest in peace."

We gratefully acknowledge the many condolences received and thank one and all for the proofs of esteem they manifest for their late pastor.

Yours respectfully,
OBLATE FATHERS.

REQUIEM MASS.

For The Late Father J. L. Maurel, O. M. I.

Solemn high mass for the repose of the soul of the late Rev. J. L. Maurel, O. M. I., was celebrated at the Catholic church this morning. The mass was very largely attended, the large edifice being filled with devout members of the church, who gathered to pay this last tribute to the memory of their late pastor. The church and altar were heavily draped in black, a large catafalque covered with a pall of rich black velvet standing in front of the chancel. It was a very solemn and impressive ceremony.

A Wonderful Discovery.

The last quarter of a century records many wonderful discoveries in medicine but none that have accomplished more for humanity than that sterling old remedy, "Rivers' Iron Bitters." It seems to contain the very elements of good health, and neither man, woman or child can take it without deriving the greatest benefit. For sale by

SCHOONERS IN BROWNSVILLE TRADE.

They Are Flocking From Texas Bayous.

Galveston News.

So soon after the announcement of the withdrawal of the Morgan lines Brownsville service this port is visited with a large number of small sailing vessels, all seeking cargo for that trade. Jockusch, Davison & Co. have chartered two for the purpose of carrying corn and like stuff to Point Isabel, and the cargoes have been finished with goods supplied by the local wholesale merchants who are anxious to enjoy that trade.

Other vessels are coming in from all along the Texas coast and from the Louisiana bayous. It will probably require a good many such vessels to supply the trade as the Morgan steamers have done, but they are up and anxious for it, and there is undoubtedly money in it for them. They are practically without competition now and are therefore in a position to sustain rates. The chances are that the trade will be good for a year at least, it is hardly probable that the bar at Point Isabel will be removed to permit the passage of the draft of Morgan vessels before that time. These small vessels are light in the water, and while not able to stand much of a storm, are able to cross the bar with the aid of a pilot, which costs them \$10 a trip.

Deafness Cannot be Cured.

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that can not be cured by Hall's Catarrh Cure. Send for circulars, free.

From Girlhood to Womanhood.

DON'T LET YOUR DAUGHTER have a wrong meaning into womanhood. They must be in every girl the best of things which the mother's functions are being established, and she should have every provision of nature for establishing them properly, without which she can never become a perfect woman. Mothers, teach your girls to control in you. Explain their condition to them and watch over them as you would the most delicate plant, and as this most critical age (twelve to fifteen) passes, your daughter will be a perfect woman.

G. F. P. (Gentle's Female Panacea.) It will establish the menstrual functions, restore the strength and give life and energy to the entire being. From \$1.00 to \$5.00. If you desire information as to your daughter's condition, free white to Large Health Club, Chattanooga, Tenn., care of L. Gerstle & Co.

Hydathene was suffering from a severe illness attack, together with great "bearing down" pains and backache during her monthly periods. She had violent nervous spells which produced a peculiar quivering and breaking sensation. I bought a bottle of G. F. P. and commenced treating her. All pains and illnesses were removed and the bearing was stopped. It is the best I ever saw for young girls. MARY ALICE DICKIN, Berlin, Md. L. GERSTLE & CO., Chattanooga, Tenn.
